

## CORPORATE TEAMBUILDING OPPORTUNITIES & SPONSORSHIP PACKAGES

### DONATIONS/SPONSORSHIPS

Sponsorships for all Habitat Greater San Francisco (GSF) projects are critical to our programs, and a financial donation is strongly encouraged from corporate volunteer groups. Your dollars help build and sustain affordable homes and revitalize neighborhoods for families in Marin, San Francisco, and San Mateo counties. All funding goes directly to our mission, and your company will see the impact of your contribution and feel the satisfaction of knowing your benevolence will last for generations. The following activities and sponsorship packages are customizable. Please note:

- 1) Companies which have volunteered with us in the past two years will be expected to provide a minimal sponsorship of \$2,500 for ten (10) volunteers and over.
- 2) Employee volunteer matching donations and/or teambuilding funds may be used to make a donation in support of your volunteer day.
- 3) Habitat GSF can assist you in setting up a link to our donation page to garner support from your co-workers and/or colleagues to make a donation to support your volunteer day.
- 4) Corporate giving days, affinity builds or largescale teambuilding projects (20 or more volunteers) require a minimum \$5,000 sponsorship.
- 5) Playhouse Builds require sponsorship at the rate of one (1) playhouse = 10 volunteers = \$3,000 donation.
- 6) All corporate volunteer groups for residential home construction (beginning early 2020) will be required to make a minimum sponsorship of \$5,000 or more. It is not too early for your company to begin making donations in support of a future new home construction build day. See (#3) above.
- 7) For cause marketing and/or use of the Habitat Greater San Francisco logo for a sales or marketing campaign not tied to a group volunteer project. Let us know and we will coordinate with appropriate departments.

### VOLUNTEER OPPORTUNITIES

#### NEIGHBORHOOD REVITALIZATION

Corporate volunteer groups can help perform critical home repairs (Bayview District of San Francisco, East Palo Alto and Belle Haven) and revitalize communal green spaces or improve organic gardens (Bayview District of San Francisco) that lift and sustain low-income communities.

#### PLAYHOUSES

A fun teambuilding experience which raises funds for the Habitat mission. Corporate volunteer groups build playhouses which are donated to children in the community. This can be done at your worksite (minimum 400 square feet per playhouse required) or at Habitat's San Francisco playhouse workshop.

#### CORPORATE GIVING DAYS

These projects can be arranged on an annual basis, for affinity groups in honor of a special month or day and can include a combination of homebuilding, neighborhood revitalization and/or playhouse builds. Employee charitable donation matching may be an added component of corporate giving to engage an entire company in the effort.

#### HOME BUILDING: NEW CONSTRUCTION IN SAN FRANCISCO & DALY CITY

Companies can register now for volunteer groups beginning in early January 2020. Depending on the construction schedule for each of these sites, tasks can include framing, site work, exterior finishes, painting, flooring and insulation. From Wednesday – Friday, each site can accommodate between 20 - 25 volunteers; on Saturdays, 40 - 50. The age requirement of 16 and older with a chaperone present throughout the day.

**WOMEN'S BUILD** is one of the many affinity builds for which Habitat is widely known. This special day brings together groups of women to build or repair homes in an eight-hour period. Not only is an opportunity to come together to create or strengthen relationships across age, backgrounds and industries, it becomes a powerful example of how effective collaboration can accomplish important goals for the community.
