

10TH ANNUAL LUNCHEON

Framing the Future

Event Sponsorship Opportunities

Habitat
for Humanity®
Greater San Francisco

2022 *Framing the Future*

Habitat for Humanity Greater San Francisco's (HGSF) mission is to build homes and sustain affordable homeownership opportunities for families in San Francisco, Marin, and San Mateo counties.

Framing the Future, Habitat for Humanity Greater San Francisco's signature annual luncheon will be held in-person at The Palace Hotel in San Francisco on Friday, November 4th. After holding this event virtually for the last two years, we are thrilled to be welcoming hundreds of guests in celebrating the resiliency of our Bay Area community and the great strides that have been made in affordable homeownership over the last year.

Become a sponsor today and engage business executives, community and civic leaders, and industry professionals at this thought leadership event.
