## Offering Major Home Improvements and Repairs for all of San Francisco

Habitat for Humanity Greater San Francisco's (Habitat GSF) Home Preservation Program provides critical, major repairs to support low-income, long-term homeowners living in the City and County of San Francisco.

Habitat GSF's Home Improvement and Repair services address safety, accessibility, and deferred maintenance issues that affect homeowners. Habitat GSF acts as a trusted lender and general contractor and offers a 0% interest loan – with all payments deferred for 30 years or until the home is sold. Loan amounts between \$25,000 and \$75,000 are available for home improvement and repair needs.

### How this Program Works

- Habitat GSF acts as both the lender and the contractor.
- Habitat construction staff perform the repair work and manage subcontractors.
- Qualified applicants receive a 0% interest loan with all payments deferred for 30 years or until you sell your home and/or your home ceases to be owner-occupied.
- Habitat GSF staff will help you from start to finish.
- Applicants must also be willing to complete 8 hours of "Sweat Equity" which can include volunteering on your home repair, attending educational opportunities or volunteering in the community.

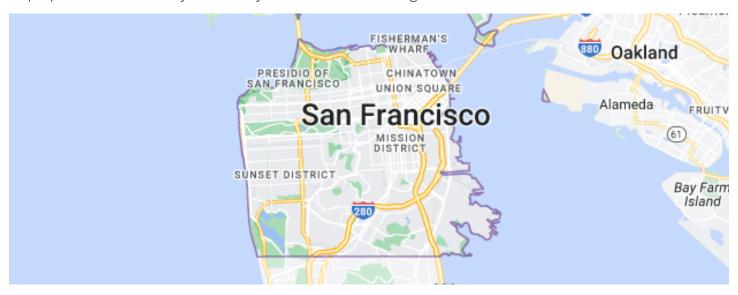

## What is the Process Once I Apply?

- 1. Submit your application as soon as possible, applications are processed on a first-come, first-served basis.
- 2. Qualified applicants will have their homes assessed to determine if they have eligible repairs.
