Habitat for Humanity Greater San Francisco Announces the Appointment of Pam Dorr as Vice President of Home Preservation

SAN FRANCISCO, Calif, (February 28, 2024) - [Habitat for Humanity Greater San Francisco](#) (Habitat Greater San Francisco) is proud to announce the appointment of Pam Dorr as Vice President of Home Preservation. Dorr brings nearly two decades of experience developing and leading affordable housing organizations in the U.S.

As a member of Habitat Greater San Francisco’s senior executive team, Dorr will oversee one of the organization’s most important initiatives - preserving homeownership and combating displacement for low-income Bay Area families through critical home repairs.

“We are incredibly excited to welcome such a seasoned and experienced leader as Pam to the team,” said Maureen Sedonaen, CEO of Habitat Greater San Francisco. “As Bay Area home prices continue to soar and construction of entry-level

housing hits an all-time low, our Home Preservation program is more important than ever. Pam has the expertise and vision to help us achieve our goal of doubling our impact over the next five years and completing repairs for hundreds of local families.”

Dorr most recently served as the Executive Director for the Community Land Trust Association of West Marin (CLAM) where she worked to expand access to affordable homeownership through innovative, community-based solutions. Prior to CLAM, Dorr was the Director of Affordable Housing for a Menlo Park-based organization, Soup, where she helped found the Valley Community Land Trust, a CLT that works with underserved families in San Mateo and Santa Clara Counties.

“I am honored and inspired to join Habitat Greater San Francisco,” said Pam Dorr, newly appointed Vice President of Home Preservation. “The work they are doing is absolutely critical to the health and wellbeing of so many Bay Area families. Whether it is building affordable homeownership or working to keep homeowners in their homes longer, the organization is improving the quality of life for hundreds of families and helping to create stronger, more close-knit and engaged communities. I am thrilled to be part of the team and eager to get started.”

About Habitat for Humanity Greater San Francisco

Habitat for Humanity Greater San Francisco (Habitat Greater San Francisco) builds homes and community in partnership with thousands of annual volunteers, hard-working families, donors, civic leaders and other engaged community members in Marin, San Francisco and San Mateo counties. The work supporters help us do provides a critical path to financial security for families who live and work here and strengthens neighborhoods across the Bay Area. Habitat Greater San Francisco has built more than 250 affordable homes in the Bay Area. More information can be found at www.habitatgsf.org.
