# 2025 WOMEN BUILD

Habitat for Humanity Greater San Francisco invites you to join us as a sponsor of our Women Build signature event in March 2025! Women Build is our way of highlighting and lifting up the potential and power of all women to lead the change to address the housing crisis. This signature month-long event promotes empowerment, solidarity, learning, and pride in our communities.

## Women Build is Housing Justice

Women, especially heads of household and women of color, disproportionately face obstacles in accessing stable, affordable housing. Homeownership can seem impossible when faced with persistent issues like:

- Higher rates of poverty
- The gender wage and wealth gaps
- Housing discrimination

At Habitat GSF, we know that secure, affordable housing and the generational impact of homeownership mean that women and their families can thrive. We see this firsthand with:

**67%** ♀  
of Habitat GSF  
homeowners  
are women

**70%** 🏠  
of our critical  
repair clients are  
female heads  
of household

**51%** ♀  
of our  
homeowners  
identify as women  
of color

## Women Supporting Women

Habitat GSF invites your company to sponsor our 2025 Women Build in March, celebrating Women's History Month. As a sponsor, your team will make a direct impact on the housing crisis by supporting permanent affordable homeownership for women and low-income families in our region. Women Build is a terrific way to honor and support women leaders in your company through dedicated team volunteer days that engage women to make an impact and empower them through hands-on learning with no experience necessary!
