Partnership Opportunities 2025

Build with Pride

Habitat for Humanity Greater San Francisco (GSF) invites you to join us as a sponsor of our annual Build with Pride signature event in June 2025! Build with Pride is a celebration rooted in radical inclusivity, bringing together our LGBTQIA+ community members and allies to lead the change to address the housing crisis affecting many families in San Mateo, San Francisco, and Marin Counties. This signature month-long event promotes empowerment, solidarity, learning, and pride in our communities.

Housing Justice for Everyone!

Build with Pride unites our community through the transformative power of affordable housing. Join us to learn, share, and build—help make homeownership an essential repairs accessible to all.

Champion LGBTQIA+ leadership in local housing justice

Habitat GSF invites your company to sponsor our 2025 Build with Pride in June, celebrating Pride Month. As a sponsor, your team will make a direct impact on the housing crisis by supporting permanent affordable homeownership for low-income families in our region, including LGBTQIA+ residents.

Homeownership Gap

The US homeownership rate for people who identify as LGBTQIA+ is 51%, compared to 71% for those who identify as straight and cisgender.

Build with Pride is a terrific way to honor and support LGBTQIA+ leaders in your company through dedicated team volunteer days that engage your employees to make an impact and empower them through hands-on learning with no experience necessary!
