SPONSORSHIP PACKET | 2026

**Habitat**  
for Humanity®  
Greater San Francisco

**Build with Pride is our annual celebration that brings together LGBTQIA+ community members and allies who are working together to address the Bay Area housing crisis.**

Throughout June, we gather to build, celebrate, and uplift one another—in the spirit of empowerment, solidarity, and Pride. This month-long signature event is open to all and offers companies a joyful, hands-on way to stand with diverse communities while making a real local impact.

**OUR ROOTS: A LEGACY OF RADICAL INCLUSIVITY**

More than 30 years ago, Habitat for Humanity Greater San Francisco (Habitat GSF) was founded on the belief that everyone deserves a safe, stable home—and everyone is welcome in the work to build it. With encouragement from former First Lady Rosalynn Carter, founder Stephen Jacoby created an affiliate that honored all faiths and embraced people of every race, gender, and sexual orientation.

Today, Habitat GSF has built over 280 affordable homes and completed more than 260 Home Preservation projects, supporting hundreds of Bay Area families in achieving and sustaining homeownership.

We honor this inclusive legacy through our Build with Pride event, a joyful celebration of community, belonging, and collective action.

## WHY PARTNER WITH BUILD WITH PRIDE

By sponsoring Build with Pride, your company demonstrates a strong commitment to LGBTQIA+ inclusion, affordable housing, and community wellbeing. Your partnership supports meaningful, local solutions while offering employees the chance to participate in impactful, community-centered volunteerism. Sponsorship also strengthens DEI goals through visible, values-aligned engagement and leverages Habitat for Humanity Greater San Francisco's trusted brand to inspire employees, customers, and partners.

Build with Pride integrates seamlessly with your corporate Pride Month celebrations and ERG programming, offering a joyful, hands-on way to show solidarity and take action throughout June.
